

Hydrant Flushing

November 3-10, 2025

The Ozark Water Department will be performing fire hydrant flushing to remove any sediment or stagnant water from the distribution system and to test fire hydrant operation. These steps are taken to improve the overall water quality within the distribution system and to ensure the delivery of the highest quality of water possible. The following schedule will give the approximate day they will be in your area.

Monday November 3, 2025

Pleasant Homes Addition, Fairway Estates, Coley Addition, Woodland West, Ozark High School, Puddin Ridge Road, McElroy Addition, S. 37th St., Manitou Mtn. Road

Tuesday November 4, 2025

Wednesday November 5, 2025

Area of 18th St and Helberg east to Alston St and South to Commercial St, Includes 9th thru 17th St, Vernon, Walden, Kelly, Gibson, School, Owens, McElroy, W. Main and W. River Streets.

Thursday November 6, 2025 and Friday November 7, 2025

Area of Alston St. and College St north, Includes N. 1st thru N. 6th St, Carver, Market, N. Bell, Prothro Drive, Nickel, Cloos Circle, Walker, Spring, Warner, Williams, Oak, Walnut Streets.

Friday November 7, 2025 and Monday November 10, 2025

Area S 7th St and Commercial St. to S. Bell, Includes S. 1st thru S. 6th St, Main St, River St, Webb City Area, Bridgeport Estates, S. 12th St, Bluff Drive

As a result of the flushing procedure, residents may experience low pressure and discoloration in their water. This discoloration does not affect the safety of the water.

Discolored water may be removed from your pipes by running the cold water tap for a few minutes. If you have any questions please contact the Ozark Water Department at 479-667-3554.
